Forecast For London & Southeast England
Issued by Met Office Exeter
at 1600 on Saturday 26 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Occasional showery rain, becoming heavy and perhaps thundery later Sunday.

This Evening and Tonight:
Increasingly cloudy overnight with showers spreading erratically overnight, with the odd heavier one possible here and there. Becoming misty with areas of low cloud by morning. Minimum temperature 13 deg C (55 deg F).

Sunday:
Some showery rain in places at first, but this becoming more widespread and locally heavy and thundery from the south during the day. Breezy at times along the south coast. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Rather unsettled and often cloudy through the period, with bands of rain or showers, locally heavy and potentially thundery. Some warm sunny spells also likely and feeling humid at times.
